General Information

- We are delighted that you have shown an interest in sponsoring our society.
- Grantham's community-based choir has a history stretching back to 1963 when we gave our first concert, celebrating the quincentenary of the town.
- We perform throughout the year with a largely classical but accessible repertoire
- We usually collaborate with professional orchestras along with young professional soloists from across the UK, as well as local schools, to give them a chance to perform early in their careers.
- Our audiences come from across the local area, and usually number upwards of 200 at our concerts in St Wulfram's Church and in ChristChurch, Finkin St.
- We have always been generously supported by a number of local businesses who are keen to demonstrate their commitment to community arts in Grantham and we are always keen to expand our network of supporters drawn from the town and surrounding areas.
- We have designed three sponsorship options:
 - **Bronze Sponsorship** - £75 a year (April to March)
 - Your business name and logo will be listed on our website and in all concert programmes as a sponsor (usually 2 or 3 concerts per year).
 - You will receive a free ticket and reserved a seat for all of our concerts in the year.
 - You may display advertising material on the Society's noticeboard in church on the day of the concert.
 - **Silver Sponsorship** - £120 a year (April to March)
 - As for Bronze but with 2 free tickets/reserved seats for all of our concerts in the year.
 - **Gold Sponsorship** - £240 a year (April to March)
 - As for Bronze/Silver but with 4 free tickets/reserved seats for all of our concerts in the year.
- We really hope that a sponsorship relationship with our society will be beneficial to both you and us and by sponsoring us you will have made a direct contribution to the town's community life and this may be something that your employees, customers and clients will appreciate.
- Sponsors must agree to the Terms and Conditions of sponsorship as set out on the application form above.
- Completed Sponsorship forms should be posted to Fiona Zealley, Grantham Choral Society Secretary, 2 Swinegate, Grantham, NG31 6RJ or emailed to granthamchoralsociety@outlook.com.
