Grantham Choral Society

Invite you to a

Workshop

Saturday 28th May 2022

At Harrowby Lane Methodist Church

NG31 9LN

10 am - 1pm (registration from 9.30am)

This workshop is open to all, for members of the Society it is an opportunity to become acquainted with the music we will be singing next season. For other seasoned singers it is an opportunity to sing a variety of music from Shakespearean Madrigals through to George Shearing via Vivaldi, Mozart and Vaughan Williams - a real musical journey! For those who have not sung for a long time, or who may be thinking of joining us to sing next season, this is just the event for you to come along and have a go, experiencing a variety of different music old and new.

The main aim of the workshop is to come along have a good sing and FUN

No need to bring anything with you except your voice. All music will be provided on the day. Coffee and cake at the break - good company and a chance to have a good sing after a long break of very little live music-making.

The Workshop will be run by our Musical Director, David Humphreys and will cost £10, Cheques payable to Grantham Choral Society or by Bacs Grantham Choral Society, Barclays Bank Sort Code 20 34 60 Acct No 80417556
